# OVERVIEW FOR STREAMon

An app dedicated for:

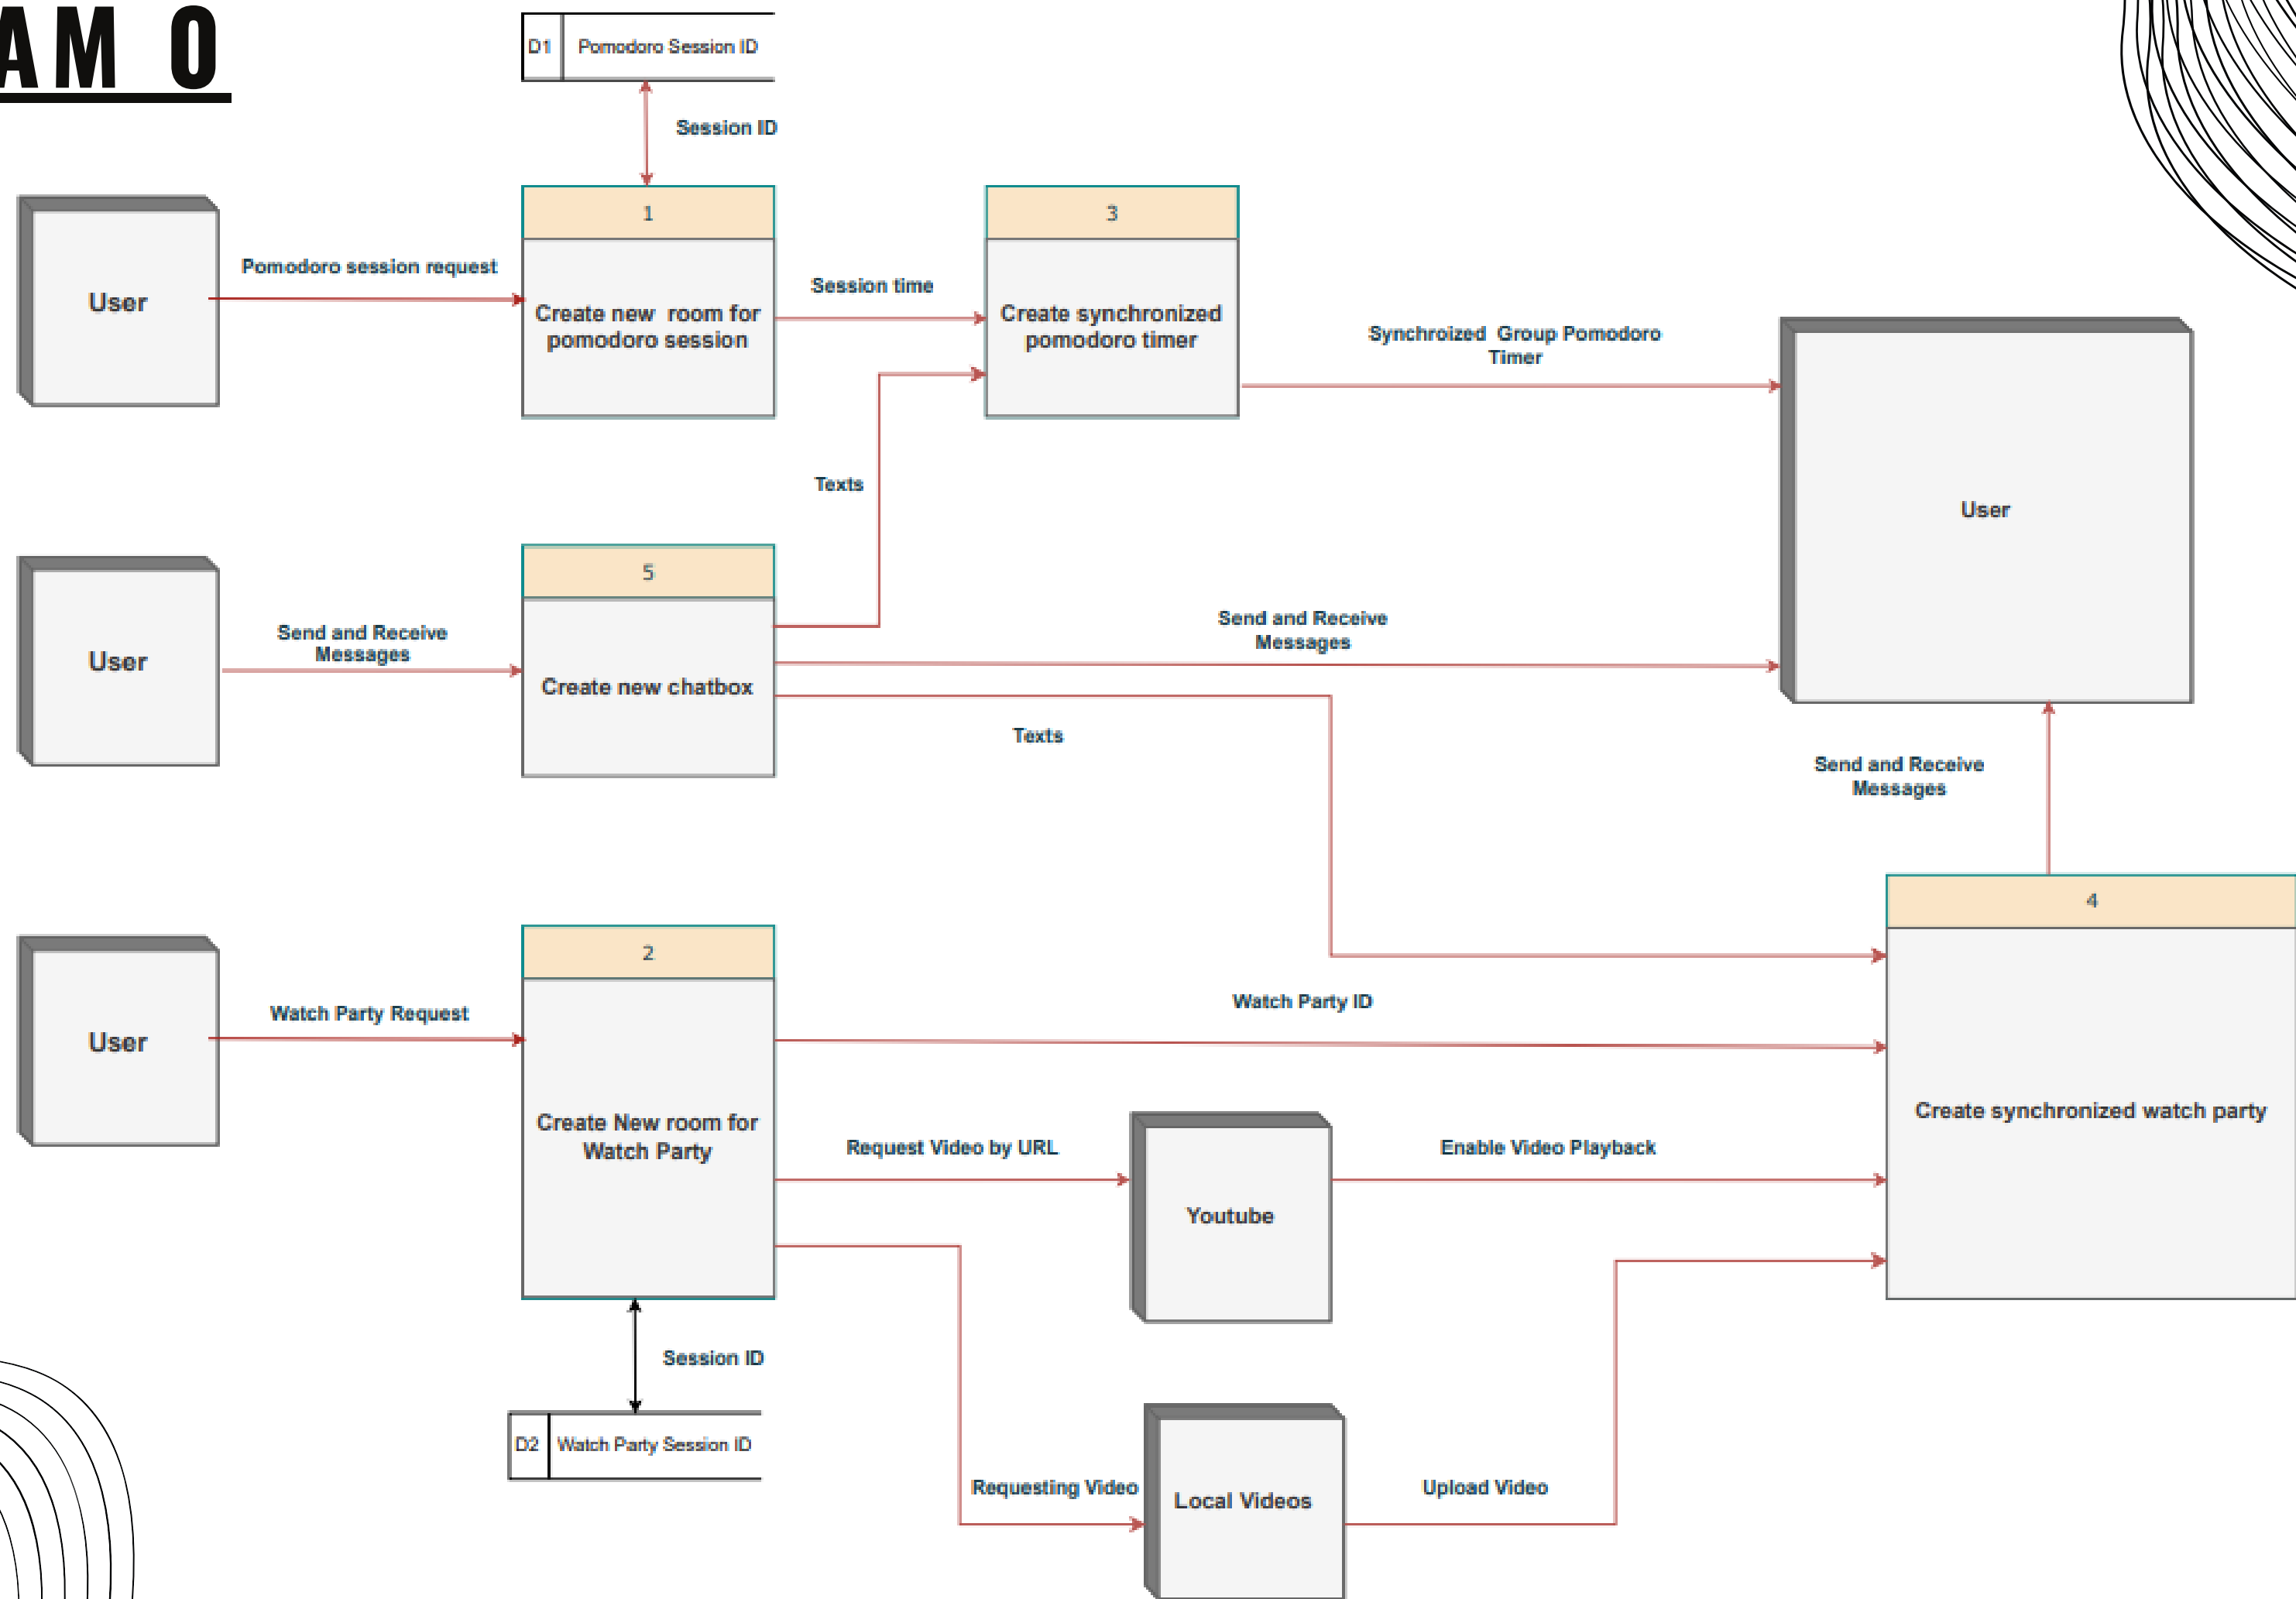

- structured work sessions with a shared pomodoro timer
- a space for multimedia collaboration,
- a watch-party functionality to allow users to watch YouTube or local videos with synchronized playback.

# CONTEXT DIAGRAM

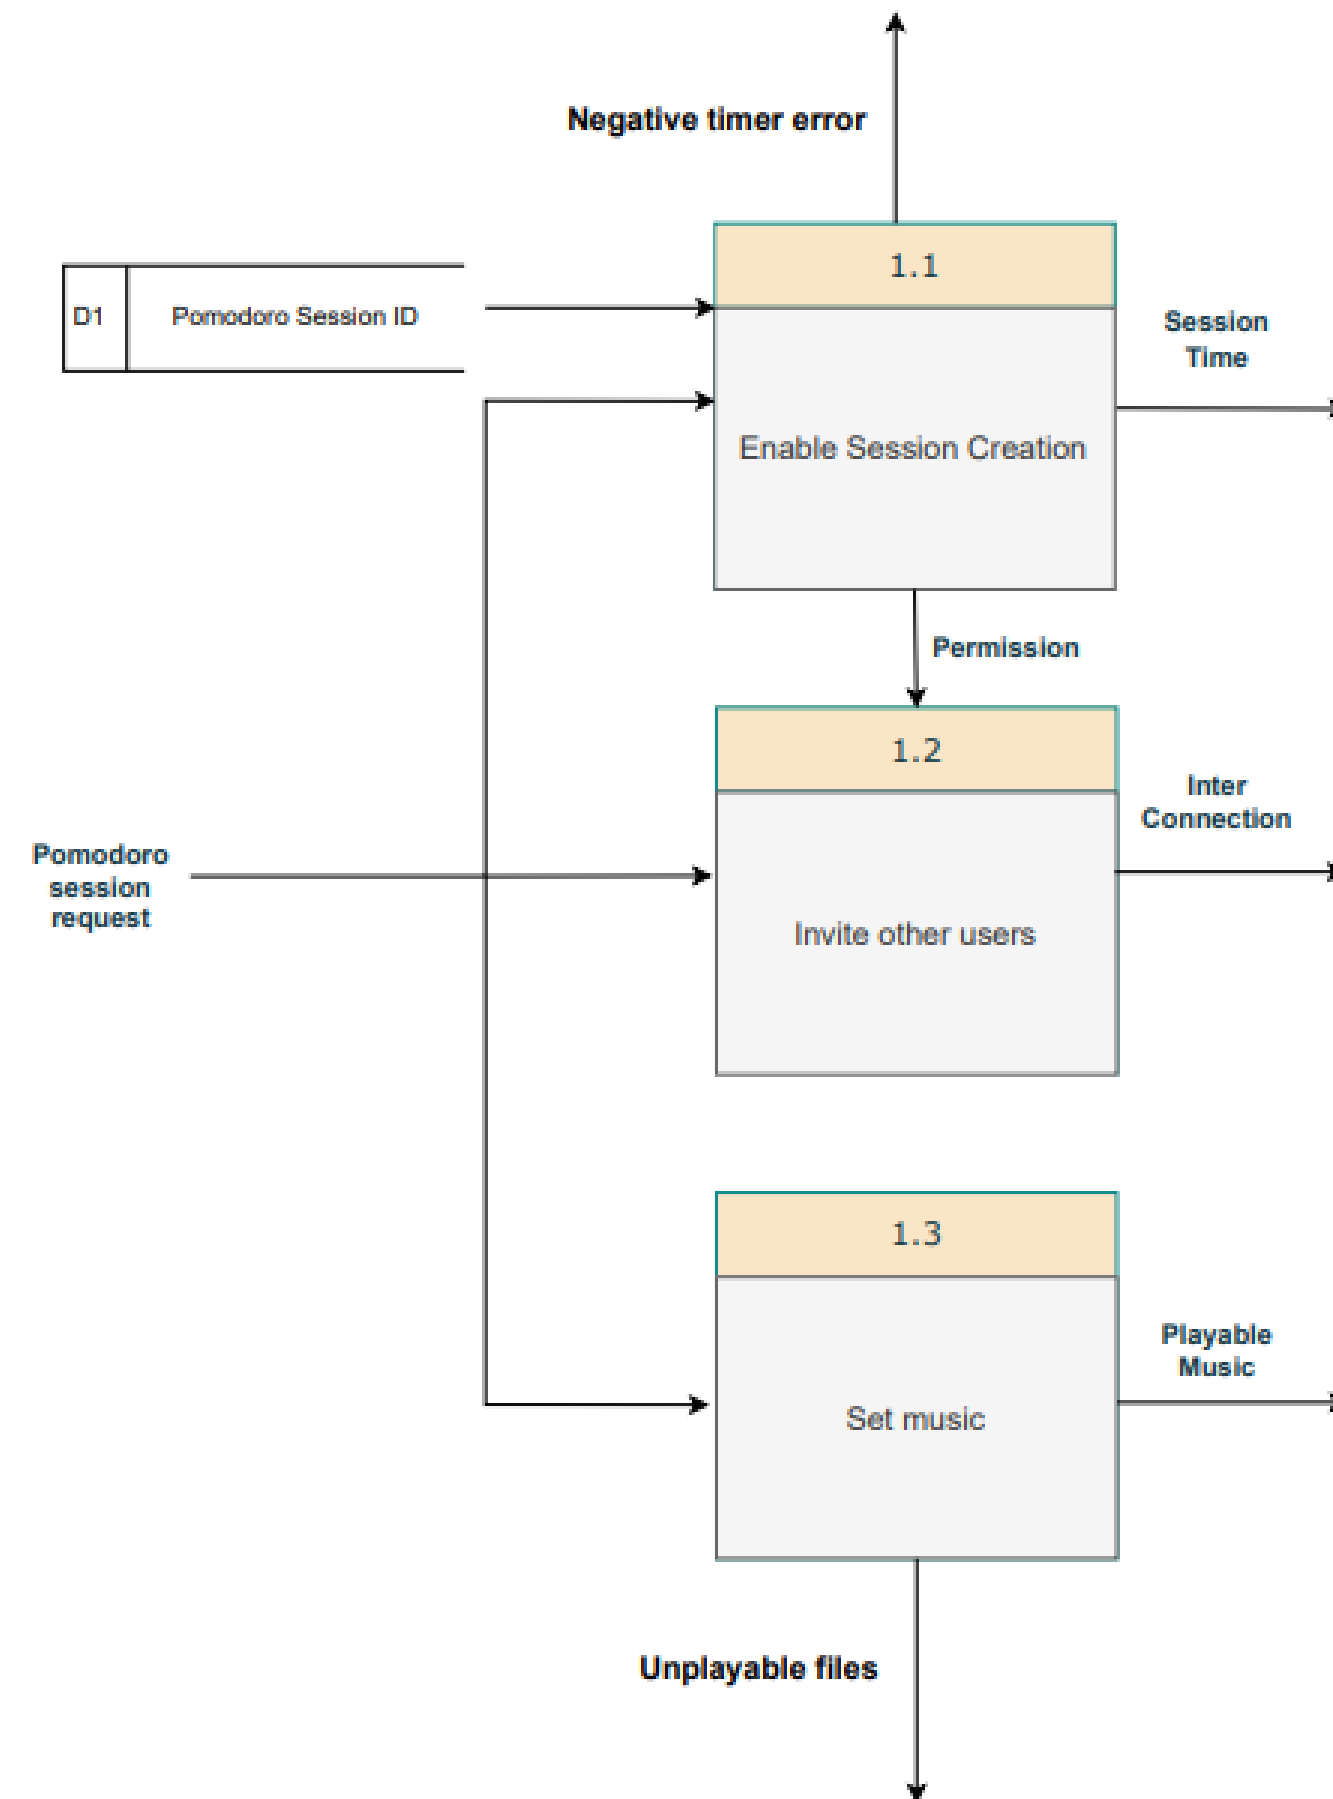

# DIAGRAM 0

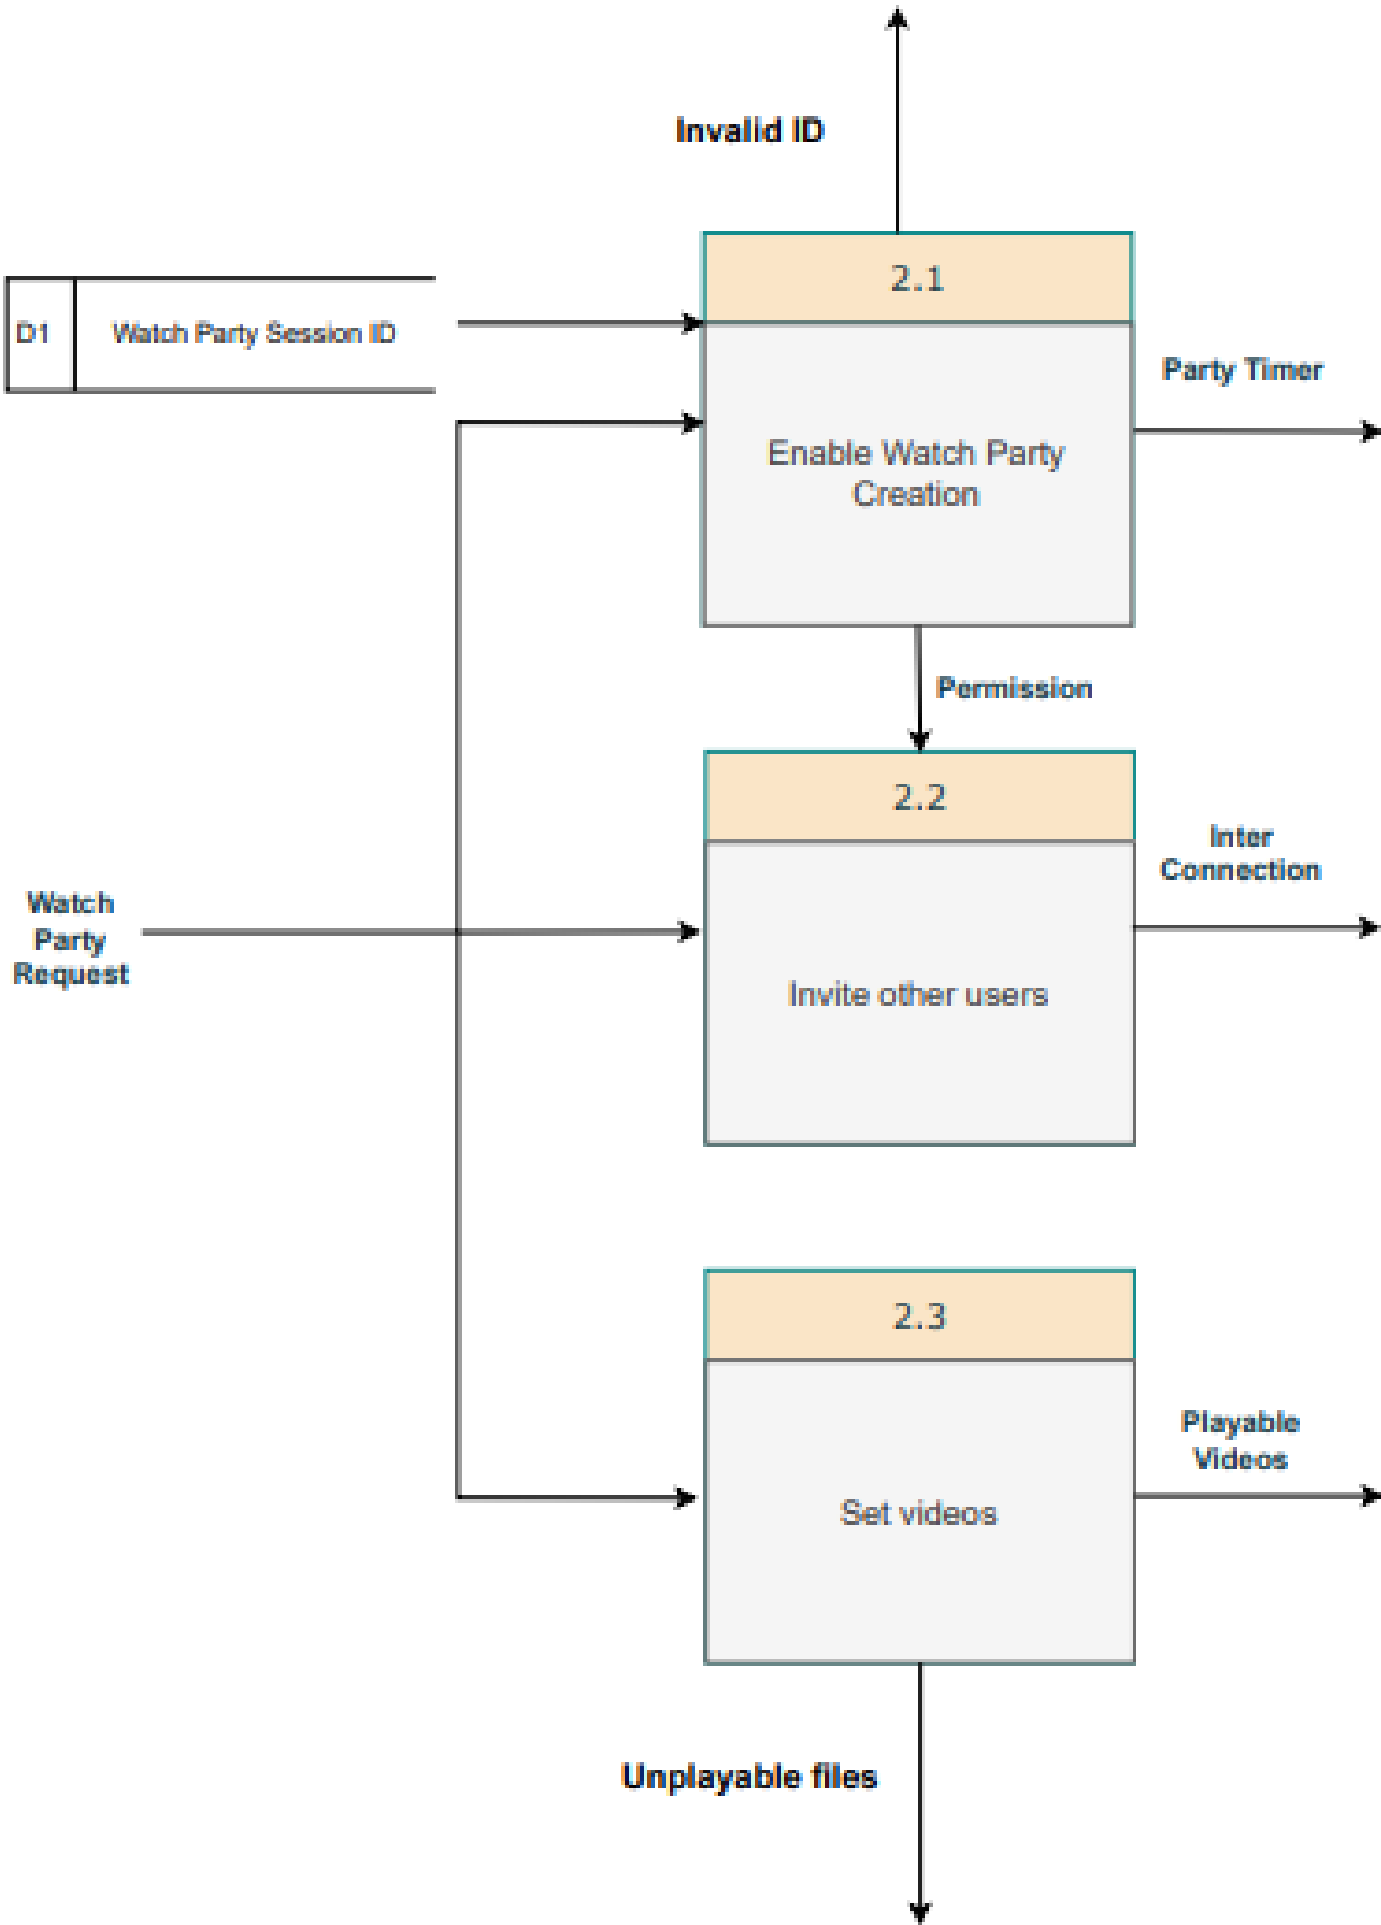

## An abstract graphic featuring a series of thin, curved black lines that sweep across the page from the bottom left towards the top right. In the upper right corner, the number '05' is printed in a large, bold, black sans-serif font.

An abstract graphic consisting of a series of approximately 12-15 thin, black, wavy lines. The lines are arranged in a vertical stack, with each line following a similar but slightly offset wavy path. The overall effect is a sense of fluid motion or a stylized representation of a landscape feature like a dune or a wave. The lines start from the left edge and curve towards the right, with some lines being more vertical than others.
